**Hole # 13**

**May it be known to all, that, on the twenty-eight of May, Two Thousand and sixteen,(28<sup>th</sup> of May 2016). Cleo Spalding joined the ranks of a few privileged individuals, She made a Hole-In-One on number 13 at Green Oaks Golf Course. And above all else, she did in a three Person Scramble. Carl Lisowski, Cleo and her Spouse Mike Spadling were playing against James Parker, Bill Gray and Micheal Parker. While it may not have been the pretties shot ever made, all six watched as it disappeared in the cup. As a participation team member I like the fact of putting a one (1) one a score card. The photo above as taken right after the Hole-In- One by Mike Spalding. Congratulations Cleo and may your next one come quicker.**
