FOR GREEN OAKS GOLF COURSE

Happy New Year to all!!

I look forward to 2019 and hope all of you do as well! Currently we have reduced our green fees to \$20.00 and this fee will remain in effect until March 31st. Tell your friends, it's a great way to introduce perspective new members to our club. As you all know, it has been a very wet fall. Don't be surprised to see the back 9 closed due to the soaking conditions. Cart paths only during wet weather. It is very expensive to maintain the fairways so be mindful and check with the pro shop for course conditions.

GOLF IS EVEN MORE
IMPORTANTER!***

Remember Steak Night each 1st and 3rd Thursday nights. Only a \$5.00 fee for salads, potato and bread, you bring your own steak. It is a great time for fellowship and bragging rights on your game.

We would like to congratulate Sam Shoemake for his hole-in-one on #6, December 18th. Great job!!

In preparation for the annual membership meeting, we will have 3 board positions available. Anyone interested in becoming a board member must be in good standing with the club and is encouraged to see Bobby in the Pro Shop for details.

Our tournament season is fast approaching and if anyone is interested in assisting Bob Smith, our committee chairman, or to serve on the tournament committee, please see him. We appreciate Bob doing a superb job in such adverse conditions during the replacement of several greens in 2018. The success of the tournaments enabled us to repair the Pro Shop HVAC system which will be a welcomed relief during our hottest months.

From time to time we have entertainment in the Acorn Lounge, we hope to sponsor some larger events this season, so be on the lookout. Our entertainment committee, Bob Smith, Vicky Evans and Bob Danzy, are open to ideas and additional assistance if anyone is interested in helping out.

*****NEW MEMBERS*****

This is the second newsletter that I have not been privileged to announce a new member(s). Let's challenge each other to recruit at least one new member each in 2019.
