

**GREEN OAKS GOLF CLUB
326 GREEN OAKS DRIVE
COLUMBUS, MS 39705**

January 2020

Green Oaks has received its share of rain so far this winter. Our rain gauge indicates over 17 inches this month alone. Even with this amount of rain, Will Spann (S&S landscaping), has had his crew working to get the course in playable condition and ready for spring.

The Board is requesting that all players (including Members) stay on the cart paths. Driving off the cart paths, no matter how well you think you know the course, causes ruts and inhibits course drainage. Take a few extra steps, literally, to keep the course looking good and draining properly. Green Oaks golf course, even with all the rain so far, is one of the best courses in the area.

Hopefully, with all the hard work of S&S Landscaping, and your cooperation, we will see a lot of new players this year. Please be considerate of others and show all players the great attitude and friendship of our membership.

The Board of Directors has elected to try several new plans to attract players/members.

a) Six(6) month Prime Time Membership plan for \$150.00 a month with an additional \$25.00/month for a cart shed or \$35.00/month for the cart plan. There will be a discount for all Prime Time memberships, if they elect to Pre-pay for the entire 6 months.

b) New full-time membership family plans will be \$120.00/month and single memberships will be \$100.00/month, for the first year. Cart shed and cart plans are available for an additional \$20.00 or \$30.00 per month respectively. Discounts are also available under these plans for Pre-payment.

c) Junior Memberships (ages 18 – 25) will be \$80.00/month with additional cart shed and cart plans available for \$20.00 or \$30.00/month respectively.
