Green Oaks Members,

Well, we've had some hot weather lately. Our maintenance crew has been working hard to keep the course in good shape. These guys and girls have been out there in this extreme heat working hard. If you see them on the course, please let them know we appreciate their dedication. Colby Bishop has joined our maintenance staff. Colby comes to us from Old Waverly. Please welcome Colby to Green Oaks.

Welcome new members: Landon Sanderson, Todd Benge, Dale Guadango, Nathan Campos and Gene Swindol.

Green Oaks is very fortunate to have members who are willing to help.

Thank you to Tommy Thompson for donating his time and equipment to spray our fairways. Thank you to Mike Covinton, Lamar Lumber for donating and delivering (8) 4x4 post to repair the old ones on our hole signs. Thank you to David Sawtelle for the new signs entering Green Oaks, cart return sign and driving range sign. David has also been working on our cart paths. The 90-degree rule signs were made by Jennifer Conn. Thank you Jennifer.

The driving range will soon be closed to golf carts. When you are on hole 18 and hit your ball on the range, you are out of bounds. Please don't hit your ball from the range. When you hit your ball out of bounds, please walk to the range and get only the ball you hit.

Friendly reminder: Range balls are yellow. Range balls are not to be hit on the course. The driving range is looking good. Thank you, Vickey Evans, for the manicured look.

The Bobby Parker 3-person scramble was a big success. Congratulations to all the winners and a big thank you to all the Hester family who catered and served an awesome meal.

The next tournament is Mixed Scramble on August 8th and 9th. When signing up, please indicate whether you will need a cart.

Wednesday scramble continues. Draw cards at 4:45. Play starts after draw. Mrs. Tammy is still doing delicious meals on Wednesday's. \$15 per plate. Sign up in the lounge.

The next steak night is August 5th. Please sign up early so Rita can purchase the needed supplies.

Men's league starts July 30th at 5:30.

Course Update

The fairways have been fertilized and sprayed. We have a lot of nutsedge come up and have chemicals ordered to tackle the problem. Most of the greens have gotten better, but we still have a few that we're trying to improve and will continue doing so.

As always, thanks for choosing Green Oaks as your golfing home.

Fikes,

President

Billy
