Hello members,

Summer is here and it is hot outside. I know some people want to ride as much as they can, but please pay attention to all signs on the course and places that are roped off, they are there for a reason. No carts past this point means exactly that. Please set a good example to the green fee players that are near you. They follow the example we set as members. A lot of money and sweat has been put into our course in the last year. On the south side of the clubhouse, please do not park your cart or leave your Green Oaks cart between the two signs. We are trying to get the grass to fill in to avoid having a muddy spot when it rains. Please return Green Oaks golf carts to the slots in front of the clubhouse or on the north side of the building when finished.

Brandon has not given me a ballpark idea of when we will be on our new greens, but it shouldn't be long. The grass has been coming in really good. Rock, Mike, Todd and Jarred have been working hard to make sure we have the best greens possible.

Welcome new members, Bill Lester, Chris Berry, Thomas Hall, Blake Matter, Jacob Hull, Adam Ellefson and returning member Ken Cook. We appreciate you for choosing Green Oaks as your golfing home.

As you are all aware of the past month the board has been put in a difficult position, with disciplining members over certain actions that have occurred on the golf course. We are working on a ruling that will be for all members and non-members in the future. I will let you know what this is as soon as it is finalized. In the meantime, I always in my letters with the saying; remember to always be humble and kind. Please take every precaution to think before you react in any situation you might be faced with while on Green Oaks property. This is very important. Please always respect our bartenders pro shop staff and our course employees. We are all grown adults and need to act as one. Always be humble and kind. Green Oaks is like our family in many ways. Let's pull together. Make Green Oaks grow into a great golf course and a place to have fellowship and fun.

Sincerely,

Vickey Evans

President
