From The Manager's Desk

Now that school is out our youngsters will be looking for things to do this Summer. I know many kids will spend a lot of time playing golf and I look forward to seeing them have fun at Green Oaks. I would ask all the parents to take a little time explaining golf etiquette and golf safety to your children before you drop them off to play. Please emphasize the need for everyone to take care of the course and the Green Oaks carts. We've already had a couple of instances of youngsters doing donuts on the fairways and driving carts over tee boxes.

Thanks.

The 3-Man Scramble is this weekend, so get your teams together and come out for the fun. There will be a Happy hour and dinner following play on Saturday. Also, ladies mark your calendar for June 5th for the 1 Lady Scramble. Sign up for both tournaments in the Pro Shop, call 328-3789 or send an email to samshoe@ebicom.net. Also, check out the website, greenoaksgolfclub.com.

From the Superintendent

We should have all the stumps ground down and most of the debris from the tree cutting cleaned up within the next few days. I appreciate your patience. We are also working to get the bridge on #12 finished. Billy Conn and his crew should be forming it up and the concrete poured next week

From the Board

After some study and much discussion, the board has determined that the rates for cart storage @ the large open building and the secure buildings must be adjusted upward to cover the cost of electricity and maintenance. The cost associated with repair of sliding doors are especially high with an average cost of near \$175.00.

The new rates of \$18.00 for open storage and \$22.50 for secure storage will go in effect July 1, 2004.

The Board has also authorized current members to "sponsor" students age 15 - 25 for \$50 / month for the period of June - August. This is designed to encourage play by those students who only spend the summer months here.
