

Green Oaks Golf Club

September 25 2005

From the Manager's Desk

Katrina: We were very fortunate. We lost a number of trees, but we did not suffer any structural damage. You will notice the large pine on #14 is gone as is the small tree at the end of the lake on #17. We lost several oaks including one that fell across the driveway. Thanks to the some great volunteers, most of the trees were cleaned up on the day after the storm. Danny Harrison, George Corbell, Billy Conn, Dennis Cox, and Bobby Parker helped in .the clean up *effort*. A special thanks is due to Danny for bringing his backhoe to move the trees. Peggy Neal also deserves a pat on the back for spending 5 days raking up debris. Wayne, Virginia and the rest of the crew did a great job picking up debris and getting the course ready for play in a very short time.

Upcoming Tournaments. The One Person Scramble is scheduled October 1st and 2nd. This is one of the most fun tournaments of the year. Sign up this week and come play. The Club Championship was rescheduled to October 8th and 9th. We will have an Open flight, a Senior Flight, a Junior Flight, and a Woman's flight if enough sign up. We will also have additional flights as appropriate. We are also planning to have a Match Play Club Championship starting October 15th. Look for the sign up sheet and details in the Pro Shop. '

Steak Nights: October 6th and 20th.

Green Range Ball Bags: We have lost almost all of the range bags. If you have one on your cart or in you shed, please bring them back to the pro shop. Thanks.

Satellite: We were able to get satellite TV in the lounge at very little expense. We also got the ESPN sports package so we should be able to get a variety of college: football games. Come join the fun and enjoy the large screen TV.

Sam

FROM THE SUPERINTENDENT: I would also like to thank Danny, George and the other volunteers for their help in getting the course cleaned up.
