We have three of the seven board positions open for this election. These three positions are for three year terms. At the present time, we have eight members whom have thrown their hats into the ring, so to speak. We will accept nominations for these three positions until Monday, April 2nd. After that time anyone else running will have to be nominated from the floor at the time of the meeting.

The following members are seeking a position on the board:

Gary Atkins(Re-election), Bruce Stevens, Arl Taylor, Frank Newsome, Dennis Cox, Stanley Taggart George Dowdle and Todd Stanley.

This past weekend Green Oaks held its first tournament of the year. It was well run by our excellent tournament committee. Every Participant seemed to have a great time. We have several tournaments scheduled for this year. Tournaments Links These events are very important to this golf club as they do bring in additional funds to help with the expense of operating the club. We need you to support your club by playing in these tournaments whenever you can, Thanks, Gene.

From the Course Superintendent: We have had a very early Spring. The weather has been very warm and great for golfing. However, like everyone else, we could use some rain. Our irrigation system only reach certain areas so a good rain for full coverage of the course would be most welcome. The Bermuda grass has not really started coming in yet due to the cold nights, Be patient, it is just around the corner, Also, please realize that our sprinkler system is on a timer so if it comes on while you are playing just step aside, it won't be on for a long time.
