General Membership New:

Congratulations to Tony Madden, he was the winner of the drawing held on the 1st of August for the Callaway X-22 Irons.

The course is really looking great and with the great weather, more rounds of golf are being played. We have noticed that Beer tabs and caps are being thrown on the course as well as other items of trash. The Beer tabs and Caps cause damage to the mowing equipment which costs the course and you, a part owner of Green Oaks, money to repair. If you see tab, caps or other trash on the course, please help by picking it up and placing it in the trash receptacles on the course. If you see anyone throwing these items on the grown, feel free to ask their assistance. Another item has again reared it head. Seems some people enjoy sunflower seeds and do not respect the course. These hulls have been showing up on the greens and interfering with putts. If you enjoy sunflower seeds then be considerate of fellow golfers and dispose of them properly and no on **OUR** greens. The Electronic Drive for the irrigation pump should be installed the week of the 24th of August. Wayne and his crew have done an excellent job of watering the course while this device was down.

The 31st of July started a great weekend. First the Fish Fry which had a large turnout. The the three person scramble (1-2 Aug) which was the largest turn out for a tournament this year. Thank you for your support.

New Members:

Welcome Chris Howard, Jeff O'Neil and Richard Bell. May your golfing needs be met and new friends be found. The tickets for the \$10,000.00 Draw down will go on sale in September with the drawing taking place in December. Don't forget to purchase your tickets.

Thanks and Good Golfing

Bobby
