GREEN OAKS NEWSLETTER

326 Green Oaks Drive, Columbus, MS, 39705 Phone 328-3879

Course Update

We are removing the water pump in the pump house on #14 for bearing repairs. The pump will be removed and taken to Olive Branch, MS for repairs. We have been unable to water the course the way we would have liked due to the reduced level of capacity of this pump. We are also still planning to remove trees along Green Oaks drive due to root problems that are causing damage to the road and sidewalks.

Golf Cart Fundraiser

The Golf Cart Fundraiser was a huge success. The winner of the cart was Nelda Humphries.

After all of the expenses were paid for the fundraiser, we made about \$6500.00.

We are grateful to all of you who helped sell tickets, bought tickets, and participated in the fundraiser. We are very appreciative of those of you who showed up for the final night to see who won. We have had several comments from people who enjoyed the event.

Fundraisers like these help to insure that we can run the club in a way that will provide enjoyment for the members, and keep member dues and fees down.

Thanks Again!!!

Membership Report

We lost two long time club members this month. Ronnie Pennington and Jerry Gentry have been with the club for several years and have decided to resign. We would like to wish Ronnie and Jerry well and thank them for their many years of supporting this club as members and volunteers.

This brings our current membership level to 123 regular members and 4 junior members. Please encourage everyone you know to consider joining and supporting our club.

Clubhouse Renovations

We are still seeking input from members on our Clubhouse renovations plan. You can see any member of the committee working on this project if you have any suggestions. Members of the committee are Greg Bryant, Sherry Taylor, Joey Persechino, Francine Williams, and Vicki Evans. If you would like to see the proposed layout, a copy is available in the clubhouse.
