## Course Update

You may have noticed that we have had to water the course sparingly for the last couple of weeks. One of the bearings in our irrigation pump is going out and we are being careful not to overwork the pump until the bearing is replaced. We are having a major problem with the tree roots along Green Oaks drive bursting the pavement and we are going to have to remove some of the trees.

## Golf Cart Fundraiser

We still have a lot of tickets available for the Golf Cart drawdown. We are going to sell 250 tickets at \$50.00 each, and then hold a draw down where we will draw all of the tickets out, with the last ticket drawn being the winner. You can also buy insurance on your ticket for \$10.00. The insurance works like this: If your ticket is drawn out in the first 100 draws, and you bought the insurance, your ticket will be placed back in the pot for a chance to win.

We are planning to conduct the drawdown on Saturday evening, October 16<sup>th</sup>, after the One Person Scramble Tournament. Do not miss out on this once in a lifetime chance to own a nice Yamaha gas powered cart worth a lot of money!

The golf cart is parked on the front porch of the Clubhouse for you to see. **Be sure to see a board member to purchase your tickets today!!!**

## Membership Report

We have two new members this month! Randy Tolleson and Tim Cyprian have joined as regular members. We would like to welcome Randy and Tim to our club.

This brings our current membership level to 125 regular members and 4 junior members. Please encourage everyone you know to consider joining and supporting our club.

## Clubhouse Renovations Update

There has been a group of members working since this past spring on a plan to renovate the clubhouse to make clubhouse operations more efficient and make your member experience more enjoyable. They have made a lot of progress and have a preliminary plan. Members of the committee are Greg Bryant, Sherry Taylor, Joey Persechino, Francine Williams, and Vicki Evans. If you would like to see the proposed layout, a copy is available in the clubhouse.

## Fish Fry

We are planning to have a fish fry on October 15<sup>th</sup> at 6:00 PM—the Friday night before the One Person Scramble Tournament. We are looking forward to seeing you there!
