## Course Update

Wayne fertilized the course during September. We were able to get a rain right after the fertilizer was put out. Wayne has been keeping the greens cut a little higher than normal because of the hot weather and dry conditions. He intends to cut the fairways higher than normal heading into the winter, to hopefully help prevent bald spots that develop during the winter. He is also planning to spray herbicides this fall and winter to prevent poa annua from taking over the course, especially the greens.

## Arbre Cup

We would like to remind the members that the 2<sup>nd</sup> Annual Arbre Cup between Green Oaks and Elm Lake will be played on Saturday October 8<sup>th</sup>.

There will be members of the Elm Lake team playing practice rounds in preparation for this match the next couple of weeks. Join us in welcoming them to our club and be sure to mark this on your calendar and come out and support the Green Oaks team!

## Hole In Ones

We have two members of our club who have had hole-in-ones in the past couple of months.

Harold Marlow had a hole-in-one on hole number 8 on August 2, 2011 while playing with the "Noon Group". Harold used a wedge to ace the 110 yard hole. His shot was witnessed by William Bartowick, Carl Lisowski, and Roger Wade.

Frank Newsom had a hole-in-one on hole number 8 on September 22, 2011. He used a "3/4" 9 iron to ace the hole. His shot was witnessed by Earl Sims and Herb Blakeney.

Congratulations to these two outstanding golfers!
