

YOUR NEWS SOURCE
FOR GREEN OAKS GOLF COURSE

Summer is in full swing and the course has been busy. US Lawns continues doing a great job and has had a few personnel changes. Zack and Billy are no longer with the company, we wish them well and they will be missed by all. Logan & Graham are assuming the responsibilities and are excited about working as part of the Green Oaks team. They both came to Will Arnett highly recommended with experience and showing a lot of dedication to making our course better.

If you like the flags we have on Hwy 45 and think we need them on Jess Lyons Road, please let us know. I think they have been a great addition as well as calling attention to the course. Green Oaks is accepting donations for the flags already displayed and replacements when needed.

The Glow Ball tournament was a success, many thanks to all of you who helped out or participated. Please let Bob Smith know how you liked the Glow Ball tournament and tell him if you are interested in making it a regular event, monthly, quarterly, etc. We may want to do it during the months when it gets dark early and not put us so late in the night. The winners of the drawing that night were Floyd Butler- Yeti Cooler, Mike Purvis-Callaway ball retriever, and Loretta Pennington- 1 dozen Titleist golf balls. CONGATULATIONS TO ALL!!

We are pleased that the staff member's shirts and name tags have arrived, they all look great. In next month's edition I hope to post a group photo with a short bio of each staff member. I'm sure this will be beneficial to our new members. Thanks to Callaway Golf for their assistance in cost of some of these items.

****REMEMBER RED SHIRT FRIDAYS****

It has been a great and challenging first few months of my tenure on the board and I have enjoyed it immensely. I thank all of the board and staff for their dedication to our club. I look forward to the next few months, implementing many more ideas that are now in the works.
