## YOUR NEWS SOURCE FOR GREEN OAKS GOLF COURSE

Wow....hope you all are enjoying football as much as I am, proud of all the college teams! Fall has finally arrived as I am putting this together; our low tonight will be in the 40's!

Our tournaments have gone very well. Bob and the crew are doing an excellent job and having a lot of fun hosting these tournaments. The Champion Tournaments was won by Michael "Doc" White, Mike Purvis and Greg Bryant. Congratulation guys! The first flight goes to Bob Smith, Jerry Studdard and Art Thompson, congratulations to you as well. Be on the lookout, Bob says he will try to fit one more in before the end of the year.

We want to thank Bob Danzie and Vickie Evans for agreeing to help Bob Smith with the tournament/entertainment committee. I met with them last week and they have some great ideas which they will discuss with Bob and will hopefully be implemented soon.

A few minor repairs have been going on at the club house, base board replacement in the men's restroom and we are also looking to replace it in the lounge. Painting is forth coming in some areas of the club house and the restrooms on the course. We hope to be replacing the HVAC unit in the Pro Shop soon.

### \*\*\*\*\*REMINDER\*\*\*\*\*

Please adhere to the 90 degree rule when we have dry conditions and cart paths only during wet conditions. This would be much appreciated Also please stay as least 30 feet back from the greens. We want to keep this area in the best condition as possible and would prefer not to barricade these areas. Thanks for your cooperation.

Thanks to those who have signed up for E-Statements, this has been most beneficial in cutting some of our cost.

I would like to take is opportunity to wish you all a Happy Thanksgiving and that you get to spend quality time with family and friends. I certainly have much to be thankful for and getting to spend time with my extended family.
