To Green Oaks Members

Well, isn't it nice to see some warmer weather recently and warmer weather on the horizon. Looks like we are at the beginning of the growing season which we hope brings more golfers to Green Oaks. It is also the beginning of our tournament season, and we look forward to a successful season. On the 22<sup>nd</sup> we start off with our **2-man PAR 3 scramble** with a **Crawfish Boil** to follow. This is shaping up to be a fun tournament as well as some **GOOD EATS!!**

A big thank you to the **tournament committee** for putting this on and a tournament to remember.

Camden and Colton Randle had a birthday in February, and they turned the **BIG 10 years old**, so please wish those little fellows and **HAPPY BIRTHDAY**.

We had a new member in February, Shintaro Yoshimura, so if you see him, please welcome him aboard. We have already had 2 new members in March, Colby Sanders and Jeremy Hester, so please welcome them aboard as well. We are hoping to increase membership this year to get us over 125. Tell your friends and family to come and check us out. Invite them to tournaments and social gatherings.  
**LOOKING TO HAVE A GOOD YEAR!**

Now a word from Chad on the state of the course.

***As everyone can see, things are starting to turn green. I sprayed the fairways last week for weeds & hopefully this will help us get more Bermuda grass in the fairways. We will spray again in about a month to try and eliminate all the weeds. As soon as we spray the second time, we will apply fertilizer. We are fixing to install some sprinkler heads on some greens that haven't been getting adequate water. As soon as we get them installed, we will try to get all tee box sprinklers working. I have found a source for rebuilt sprinkler heads with a one year warranty for \$100 each. With that being said, we should be able to get the water we need to the greens & tee boxes. Once the warm weather sets in for good, we will sprig a few areas that are bare from not getting the water they need.***  
**Thanks,**  
**Chad**

Sincerely the Green Oaks Board of Directors
