To Green Oaks Members

Another month has passed and is in the books. Looks like we had another good month and Mother Nature is still blessing us with some pretty good weather for playing golf. We can only hope it stays this way and that we continue to get good rain here and there.

We had one new member in October, Scott Thrash, so if you see him, please welcome him to the Green Oaks family.

Another thanks to the Tournament Committee for putting on a successful **GLOW BALL** Tournament.  
I hear it was a lot of fun!

We would also like to thank the National Guard for giving us the opportunity to host their Veterans Day tournament held this past Saturday. I think everyone had a great time. Green Oaks would like to thank all of you for serving this **GREAT NATION**.

***I would like to ask each and every member to stop for a moment and say a prayer for Lindy McBryde for the passing of his wife Sharon McBryde. We are so sorry for your loss Lindy.***

***Our thoughts and prayers are with all of you.***

We had several birthdays in October so if you had the chance to tell Matt Funderburk, Katy Holloway, Vicky Evans, Sonya Presnall, and Matt Ward personally, thank you. If not, please tell them **HAPPY BELATED BIRTHDAY** next time you see them.

Now a word from VP Chad Holloway on the state of the course.

**State of the course**

**Overall, the course seems to be in pretty decent shape. Most of the goose grass on the greens seems to be dying out from when I sprayed it. We will mow the fairway this week to chop up some of the fallen leaves and pine straw. Once that is done, we will get the blower hooked up & start blowing that material towards the woods.**
