To Green Oaks Members

Hope this letter finds everyone doing well. Seems like September flew by and now fall is officially here. Cool weather, football, and still a lot of good golf left to play, so get your friends together and play while it is still great weather. And when you finish your round, come inside the lounge to enjoy a cocktail or cold beer and watch your favorite team play football.

I have a request to mention that if you have some old towels lying around, please donate them to the course as we always need them to dry off golf carts when it rains. This will be greatly appreciated and see Rita if you have some to donate.

We have a few new members, and we always like to mention them so you all can welcome them to the club. Here are the new members, Jeremy Ussery, Lawana Holloway, David Wilson, Benjamin Moore, Billy Fikes, Nathan Steiman, Bobby Box and Adam Bates.

WELCOME TO GREEN OAKS!!!

A big shoutout to Sonya Presnal, Vickie Evans, Robbie Jacobs, Wayne Box, Jenny Box and The Mayor of Steens (Linda) for helping with the tree cutting and burning!!!

GREAT JOB!!! THANK YOU!!!

State of the course

Hope everyone is enjoying the fall temperatures. Overall the course is in pretty decent shape. We still have some greens that haven't fully grown in & we some of these fill in before the first frost. I applied preemergent for Poa on all the greens 10/11 & also sprayed them for goose grass.
